## NOISE ORDINANCE EXCEPTION APPLICATION

The City of Belmont has comprehensive noise control regulations in Belmont City Code Section 15-102 that restricts sound levels from all sources, including human voices, powered equipment, and construction activity. In regard to construction, section 15-102(f) limits construction activity to 8:00 am to 5:00 pm, Monday through Friday, and 10:00 am to 5:00 pm on Saturdays. No work is permitted on Sundays and the major holidays.

The Building Official may allow construction and related activity outside the days and hours indicated above when:

- (1) Necessary for emergency repairs or to protect life or property from imminent threat of harm;
- (2) The construction site is more than 300 feet from a dwelling unit; or,
- (3) Noise from the allowed construction activity is in the Building Official's opinion comparable to the noise from non-construction activity in the immediate area.
- (D) Expanded construction hours provides quantifiable benefit to the public and noise will not unduly interfere with the comfortable enjoyment of life or property.

The Building Official may limit, condition, modify or eliminate an exception as necessary to limit noise disturbance.
